

Anatomy of Mediumship Development Course

For Intermediate/ advanced students only
led by Daniel Pitt

For students who want to take their mediumship to the public, through church services, public presentations of mediumship, 1-1 sittings

This course is designed to encourage and coach students with existing ability and a willingness to use their mediumistic awareness to serve humanity and the spirit world. Be it public forums or 1-1 meetings.

This is not a beginner's course, and places are limited to 14 students to ensure you the student is given the assistance they need.

Overview of course:-

We must endeavour to understand ourselves,
if we are to be fully available to the influence of the spirit world.

Over the next 10 weeks we will look at various elements that make up your mediumistic awareness and how they can bring you to birthing your potential self, within both your personal, mediumistic, and spiritual self

We will explore all of this by looking at you the medium, and your integrations between your soul and personality, how that reflects on the sitter and how it helps or hinders the intention of the spirit world through their communication.

We will be doing this through, meditations, theory, practicums, discussion, and reflection.
