## Anatomy of Mediumship

“The use’s of Colour in Mediumship”

Saturday 24<sup>th</sup> June 2023  
10.00am - 4.00pm  
with  
Medium Daniel Pitt

These workshops is designed to encourage and coach students who have a willingness to use their mediumistic awareness through public forums or 1-1s.

Its also useful for those starting out and wanting to explore their psychic awareness.

We will look at various elements that make up your mediumistic awareness and how they can bring you to birthing your potential self, within both your personal, mediumistic, and spiritual self

We will explore all of this by looking at you the medium, and your interactions between your soul and personality, how that reflects on the sitter and how it helps or hinders the intention of the spirit world though their communication.

We will be doing this through, meditations, theory, practicums, discussion, and reflection.

**£45.00 cash only pay on the day** – Booking through the Church committee or email Daniel

Please bring your own packed lunch
