Workshop

Anatomy of Mediumship

The Emotional and Feeling Self

Saturday 25 March 2023

10.00am - 4.00pm

with

Medium Daniel Pitt

This is a series of workshops designed to encourage and coach students with existing ability and a willingness to use their mediumistic awareness to serve humanity and the spirit world. Be it public forums or 1-1 meetings.

Its also useful for those starting out and wanting to explore their spiritual, psychic and mediumistic awareness.

We will look at various elements that make up your mediumistic awareness and how they can bring you to birthing your potential self, within both your personal, mediumistic, and spiritual self

We will explore all of this by looking at you the medium, and your integrations between your soul and personality, how that reflects on the sitter and how it helps or hinders the intention of the spirit world thought their communication.

We will be doing this through, meditations, theory, practicums, discussion, and reflection.
