The London Spiritualist Mission

Workshop on Sunday 3rd September 2023

International Medium, Spiritual Teacher, Shamanic Healer and Practitioner Roy Sunley will be running a new workshop which is open to everyone with an interest in Spiritual work and Healing both self and others “The Shamanic way”.

We will journey to the Lower World and work with our Power Animals as well as meeting and communicating with our Lower World and Ancient Guides.

We will “journey” with our new found friends and learn lessons not available to us any other way. We will learn more about ourselves and our journey in this life.

We will use Shamanic Guides together with drumming and our Shamanic animals to enhance our “journeying experience” for both ourselves and those we working with.

We will use our newfound and enhanced skills to give our partners information on their journey and stronger messages and direction

We will work with “The Wheel of Life” and look at the different directions and how they influence our day to day lives, feelings and direction. You will look at what you need to look at and possibly heal or re-shape your thoughts and direction.
