

# *Shamanic Experience*

*“A day understanding and working with Shamanism”*

*The London Spiritualist Mission*

**Workshop on Sunday 13<sup>th</sup> October 2024**

International Medium, Spiritual Teacher, Shamanic Healer and Practitioner Roy Sunley will be running a workshop which is open to everyone with an interest in Shamanism

We will journey to the Lower World and work with our Power Animals as well as meeting and communicating with our Lower World and Ancient Guides. We will work with our ancestors who have a special meaning for us each.

We will “journey” with our new found friends and learn lessons not available to us any other way. We will learn more about ourselves and our journey in this life.

We will use Shamanic Guides together with drumming and our Shamanic animals to enhance our “journeying experience” for both ourselves and those we working with.

We will work together to help each other journey more proficiently and with stronger more meaningful results.

We will review your spiritual life and what you need to look at and possibly heal or re-shape your thoughts and direction.
