

## Workshop with Karen Wood

### Trust and Strengthen Your Evidence Part 2

*This workshop follows on from the August workshop but it does not matter if you did not join me on the first one as there will be many new ways to look at how to strengthen your evidence. Be the best that you can be and find the joy within you and this will help with your work for spirit.*

*Join me for a day of exploring how you work with your connections and believing in your own abilities. Stop doubting and start trusting.*
