

“Mediumship at all levels”  
at  
The London Spiritual Mission

**Workshop on Saturday 17<sup>th</sup> March 2018**

International Medium Roy Sunley is running a workshop which is open to everyone who wishes to delve into Mediumship or explore new avenues of connecting to Spirit via visualisations and energy raising exercises. Use love and your Guides to communicate with those who have passed before. Use Shamanic techniques to establish contact with your Power Animals and gain their protection and understand how they work with you. Look at the Lower World and Upper World of Spirit to strengthen your connection.

**We will cover many areas of Spirit communication including:**

- Grounding and opening up to Spirit
- The process of contacting your Guides and the Spirit World
- Connecting to Spirit in a stronger way
- Meeting your Guides and working through them
- Meeting your Power Animals and understanding how they work with you
- Working with “trust” from the platform as a Medium
- Working as a Medium with new found energy and strength
- Working as a private Medium on a one to one basis giving detailed messages

We will practice the above in this safe and Spiritual environment with like minded people. We will work as a group, as individuals and in pairs. We will watch demonstrations and learn through group exercises and others experience.
