

TRANCE AND MEDIUMISTIC WORKSHOP

LED by DOREEN QUINNELL at The London Spiritual Mission

SATURDAY 30TH MARCH 2019 11-4.30PM

Trance Mediumship is a true Pathway to your inner spiritual growth and in this workshop we will explore some of the essential qualities required for the development of Trance Mediumistic consciousness:

- How to awaken the state of the Trance Medium
- How to become a stronger vessel for the work of spirit
- Being honest about your motives when considering Trance development
- Pursuing your way of life and true passion - does your talent lie elsewhere
- True spiritual development lies in your inherent passion and abilities and not false notions.

The true disciple of a Trance Mediumistic life must be prepared to do considerable work in order to uncover their nature, beauty and devotion.

I will take you through a series of stages of awareness and altered states of consciousness to fulfil your true potential when working with spirit and your guides

The workshop price is £30 pounds for the day - lunch will be from 1.30 to 2.30 and we will finish our day at 4.30. Tea and coffee is provided please bring your own lunch.

Attendees for this workshop will be by prior registration only. Please contact me to discuss your interest in the above mentioned and importantly your past involvement in Trance. You can do this by contacting me in person in the church, giving me a call on 07932 626927 or by email to: doreenquinnell@hotmail.com.
