The Fabric of Mediumship PART 2

A day of exploration into the many ways that your mediumistic awareness can be used to affirm the reality of the spirit world, to heal hearts, mind and souls, and to help each of us to be closer to the divine presence which sits with in us all

Following on from part 1 (but open to new students too)

We will be looking at altered states of consciousness in 1-1 readings
How we offer our power to the presence of the spirit world, and how we can reduce our presence and bring the presence of the other world more fully in to our work.

The workshop will be tailored to the needs and level of expertise of those present.

Tea and Coffee provided. Please bring your own packed lunch
