Exploring Psychic Mediumship

with

Gerri March

Saturday 16th October - 10 am – 5 pm

Entrance £45

Using simple exercises, meditation and discussions we will further explore your own individual psychic intuition and how it is quite unique to you. This is closely linked to your spirit communication, and we will continue to explore how you can experience better communication, through understanding the process of receiving, translating, if necessary, and presenting the information. All are welcome to this enjoyable day of learning and sharing.
