

LIGHTWORKER SELF-EMPOWERMENT

Connect to your Higher Self

Your Higher Self is the greater part of you that is closest to your Soul and knows the purpose of this lifetime journey.

Activate Your Lightbody

Your Lightbody is the sacred geometric shape known as a merkaba that surrounds you. It can protect, move you to higher frequencies and be programmed to work for you.

Look in your Akashic Record

Your Akashic Record hold information on all of the lifetimes your Soul has experienced and can provide you with information to help you with your spiritual journey.

It is lightworkers who will support the ascension of humanity and the planet by holding their highest light vibration and discovering their spiritual potential.
