

Discover the Light Within

[Susanna Copelli](#)

Saturday 27 July

10:00am - 4:00pm

The purpose of this workshop is to help you recognize and develop your own psychic abilities and mediumship skills, to communicate with Loved ones and Guides on the other side, learn how to trust your own intuition and apply it into your daily life.

The workshop will start with an opening healing meditation followed by several practical exercises and opportunity to test your abilities with like-minded people

You will learn ways to trust your own intuition, to help you make the right choices and decisions.

By the end of the day you will have a greater understanding of spiritual work and how it can be applied to bring healing and empowerment to your daily life.

This workshop would be beneficial to anyone who wishes to learn or expand their knowledge of psychic and mediumistic work.

All are welcome
